## KCTS 60 Second

Dana Arviso: Public broadcasting offers viewers a unique opportunity to see inside our lives— young urban natives—and to see the complexities of our realities.

Matika Wilbur: As a native person of today, you know, a person that lives in the city but comes from the res, on a Friday night we'll spend the night in a ceremony and Saturday I'm downtown shopping—I live in this world of duality.

Matt Gong: I'm Matt Gong and PBS is my source for inspiration.
