Dr. Louis Sullivan**

I'm Dr. Louis Sullivan, President Emeritus of Morehouse School of Medicine and former US Secretary of Health and Human Services.

The broad array of programs on public television, I think, really inform the public. For example, the current debate in Washington about how do we reform our nation's healthcare system are important and so public radio public television, I believe help open up the world.

I'm Dr. Louis Sullivan. Public Broadcasting is my source for news and entertainment that enrich my life.
